

- Manufacturable, screenable
- Metal housing
- Iris spring screening
- Ground connection (FE) possible

V15-G-ABG-PG9-FE

## Technical data

### General specifications

|                     |                  |
|---------------------|------------------|
| Number of pins      | 5                |
| Connection 1        | female connector |
| Construction type 1 | straight         |
| Threading 1         | M12              |

### Electrical specifications

|                         |              |
|-------------------------|--------------|
| Operating voltage $U_B$ | max. 60 V DC |
|-------------------------|--------------|

### Ambient conditions

|                     |                                |
|---------------------|--------------------------------|
| Ambient temperature | -25 ... 85 °C (-13 ... 185 °F) |
|---------------------|--------------------------------|

### Mechanical specifications

|                   |            |
|-------------------|------------|
| Protection degree | IP67       |
| Material          |            |
| Sheath diameter   | 5 ... 8 mm |

## Electrical connection
